I have reserved the meeting room at the DNR Service Center in Minocqua Woodruff for the day. We would have access to a phone line.

On Friday I talked with Dave Larsen and he said that REI could make the May 26th date work. He thought that we should plan to have Bill Kozak come to the meeting and have Linda call in. May 26th works for the tribe as well.

I could use your help finding a place that will allow us to have a conference line come in. This will allow flexibility for others that may not be able to attend in person but could call in.

We'll plan on meeting on the 26th. Can we agree on a time for the calls/meetings on the 4th Thursday? Would 2 p.m. work?

I have now heard that the tribe is available on the May 26th date. I think we should shoot for that. Please hold it on all of your calendars. I still need to confirm Dave Larsen and his supervisor's availability, along with the Kozaks.

I believe we should hold the last Thursday of each month as a regular meeting time.

Thanks for the update, there is a chance that Kristen may be in Chicago for EPA/Tribal training this week. I had a lengthy conversation with Dave Larsen this afternoon and he will be calling you to discuss the Kozak's involvement in a future meeting. I agree that we should look for a regular meeting date and time to avoid scheduling problems in the future. Do you want us to propose dates?

Hi John and Judy!

I wanted to let you know that I have not forgotten the task of setting up an initial communications meeting. I still need to hear from the tribe, REI and the Kozaks. Dave Larsen left me a message yesterday (after I sent the message below). He said he wanted to talk to me about concerns that the Kozaks had. I haven't heard back from Dave. Bob reached out to the tribe when he was at the site and he has also spoken to the Kozaks about the May dates.

Can we start setting up a date and time certain for monthly calls?

Dave,

I know REI is busy doing a lot of work in northern Wisconsin. We are still trying to set up a date to have a meeting with the Kozaks (we think it is critical that they attend at least the early portion of the meeting), REI (you are your supervisor), WDNR (Judy Fassbender, John Robinson and Chris Saari), EPA (me, my boss Gary Victorine and his boss Margaret Guerriero). The main objective is to lay out communication steps as we get really going on the Tower Standard site.

Do you have availability May 17 or May 26?

We are still check with other parties but this is the two best dates that we have so far.
